- 32' - 56 openings - double axle
- 40' - 68 openings - triple axle

Feeder wagon can be moved from feed source to pasture or feed yard -- keeps cattle on dry ground -- less packed ground, helps to spread manure. Feed large round or large square bales, chopped hay, silage, small square bales, grain or anything you want to feed.

The fine workmanship is covered by our excellent warranty.

Self locking stanchion wagons available in 10', 12', 16', 20', 24', 32' lengths. Painted or hot dipped galvanized.

10', 16' AND 20' STATIONARY HAY FEEDERS
